| Project Name | Visualizing and Predicting Heart Diseases with an Interactive Dash Board |

IBM COGNOS ACCOUNT

The screenshot shows the IBM Cognos Analytics web interface. At the top, there's a navigation bar with the title 'IBM Cognos Analytics with Watson' and a search bar. Below this, a maintenance banner states: 'Maintenance: Cognos Analytics will undergo Maintenance: Nov 19 10:00 UTC to bring you the latest updates to Cognos Analytics'. The main content area features a large blue banner with the text: 'You can get started right away by taking a look at our introduction video, product tour and Getting Started tab.' Below this banner are two buttons: 'Watch video' and 'Take a product tour'. On the right side, there's a user profile dropdown menu for 'logeshwaran ys (228533...)' with the email 'yslogesh@gmail.com' and a link to 'Profile and settings'. The menu includes options like 'My schedules and subscriptions', 'Log my session', 'About', 'Manage product subscription', 'Privacy', 'Cookie Preferences', 'IBM Cognos Analytics Mobile', and 'Log out'. At the bottom, there's a 'Quick launch' section with four tiles: 'Upload data' (with an icon of an upward arrow), 'Prepare data' (with an icon of a document and a checkmark), 'Exploration' (with an icon of a magnifying glass), and 'Present data' (with an icon of a presentation screen). Each tile has a brief description of its function.
